PROFESSIONAL
EXPERIENCE

Wordpress Developer | May 2024 - Current
Mente Unida

Developed a WordPress-based online psychology platform enabling patients to book sessions, process payments, and receive Meet links. Designed features for professionals to manage profiles, set consultation fees, and schedule availability.

Web Developer | January 2024 - Current
Cardea Medicina Integral

Developed a medical clinic website using HTML, CSS, and JavaScript, providing detailed establishment information and a simple appointment booking system for convenient patient scheduling
